Responsible for content according to §5 TMG: Remi Boisserie

Disclaimer

1. content of the online offer

The author assumes no liability for the topicality, correctness, completeness or quality of the information provided. Liability claims against the author, which refer to material or immaterial nature caused by use or disuse of the information or the use of

incorrect or incomplete information are excluded, unless the

author is not intentional or grossly negligent fault. All offers are subject to change and non-binding. The author expressly reserves the right to change, supplement or delete parts of the pages or the entire offer without prior notice or to discontinue the publication temporarily or permanently.

2. references and links

The author is not responsible for any contents linked or referred to from his pages - unless he has full knowledge of illegal contents and would be able to prevent the visitors of his site from viewing those pages. The author hereby expressly declares that at the time the links were created, no illegal content was identifiable on the linked pages. The author has no influence on the current and future design, content or authorship of the linked pages.

Therefore, he hereby expressly dissociates himself from all contents of all linked pages that were changed after the link was set. This statement applies to all links and references set within the author's own Internet offer as well as to external entries in guest books, discussion forums and mailing lists set up by the author. For illegal, incorrect or incomplete contents and especially for damages resulting from the use or non-use of such information, only the provider of the linked page is liable, not the one who has linked to the respective publication.

3. copyright and trademark law

The author endeavors to observe the copyrights of the graphics, sound documents, video sequences and texts used in all publications, to use graphics, sound documents, video sequences and texts created by himself or to use license-free graphics, sound documents, video sequences and texts. All brand names and trademarks mentioned on the website and possibly protected by third parties are subject without restriction

to the provisions of the applicable trademark law and the

ownership rights of the respective registered owners. The mere mention of a trademark does not imply that it is not protected by the rights of third parties! The copyright for published objects created by the author himself remains solely with the author of the pages. Any duplication or use of objects such as diagrams, sounds or texts in other electronic or printed publications is not permitted without the author's agreement.

4. data protection

If the opportunity for the input of personal or business data (email addresses, name, addresses) is given, the input of these data takes place voluntarily. The use and payment of all offered services are permitted - if and so far technically possible and reasonable - without specification of any personal data or under specification of anonymized data or an alias.
